G. FOR COFFEE: COUNTRY STONEWARE. Actually you can use these large footed mugs for any hot drink. Bouillon, grogs, and of course coffee. Generously sized so they're easy to grip. Set of four, **2101 12.00** (1.90). Gift Alcoves.

H. FLAVORFUL COFFEE — FROM COLD WATER. The Toddy Coffee Maker employs a revolutionary cold water process to make smoother coffee than any brewed in a percolator or drip maker. The taste — as pure as the aroma of fresh ground coffee. The process — easy, economical and convenient. Tests show Toddy Coffee is lower in caffeine, sediment and oils. And one brewing makes up to fifty cups of coffee. Simple to do: place your favorite ground coffee and cold water in the brewing container. Leave it overnight then decant into the glass decanter. You'll have a coffee concentrate that can be stored in the refrigerator for weeks. Then, when you're ready to drink two cups or twenty-five, measure enough concentrate and add hot water. There's no waste, so coffee costs are actually reduced. A marvelous gift for the discriminating coffee drinker, the set all-inclusive, **2102 15.00** (1.50). Tastemaker Shops.

J. THE INDISPENSIBLE KITCHEN COMPANION — BETTER THAN A BLENDER. Cuisinarts calls it the Magimix Food Processor, imported from France and highly acclaimed because it does anything a blender can, but twice as well and more. It mixes cake batter, kneads bread dough, chops meat, blends everything from gazpacho to peanut butter, slices, grates, makes cole slaw and julienne potatoes. Kitchen tasks that once took minutes or hours — can now be done in seconds. Magimix is equipped with a temperature-actuated circuit breaker to prevent motor burn-out. The bowl, cover and pusher are made of shatter-proof, dishwasher-safe plastic — and there are no complicated accessories. Truly an amazing machine, one of the most versatile kitchen tools you could own. **2103 195.00** (3.50). Tastemaker Shops.
